EXAMINER'S AMENDMENT

An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

The application has been amended as follows:

Replace claims 5, 6 and 19 with the following:

5. The system of claim 1 wherein said RF energy transmitting means of said transmitting unit includes mode selection means for recharging said rechargeable battery at a "fast" [(high energy)] . high energy rate or at a "trickle" [(low to medium energy)] . low to medium energy rate.

6. The system of claim 1 wherein said transmitting unit includes power source selection means for setting said receiving unit to obtain its operating power from (1) RF coupled energy [(“RF only” mode)] in a “RF only” mode, (2) said rechargeable battery [(“battery only” mode)] in a “battery only” mode or (3) automatically switch to “RF only” upon detection of said RF energy field, or “battery only” when said RF energy field is not detected [(“combination” mode)] in a “combination” mode.

19. The system of claim 1 wherein said transmitting unit includes a battery, whereby said transmitting unit is portable and not [dependant] dependent upon an a.c. power source.

REASONS FOR ALLOWANCE

1. The following is an examiner's statement of reasons for allowance: regarding claims 28, 29 and 31, the prior art of record fails to disclose the recited mode selection means. Such a feature provides greater flexibility in powering the implant and is taught by the applicants to provide the advantage of extended battery life while eliminating the need to have an RF-coupled transmitter in close proximity to the implant at all times.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
